Our School Rules

1. Respect yourself and others as a child of God.
2. Contribute to the learning environment.
3. Follow classroom procedures.

Dear PB Family,

We had two-student scholars place in the top ten students for the class of 2021 during the 22nd annual Bishop Luers Henry-Keefer Scholarship Exam. Congratulations to Rebekah Staples tied for third place! Congratulations Gavin Bransfield tied for 8th place!

Registration for the 2017-2018 school year will begin on the Monday, January 30th, 2017. Please register before February 20th, 2017. Preschool and K-8 registration will open to active registered parishioners on February 20th, 2017. We have very limited spots in some grade levels. Please be sure to register your family to ensure your enrollment. We currently expect 24 students from our school to join the Kindergarten class. This leaves only 4 open seats to get to the 28 student Kindergarten capacity. Full classrooms is terrific for our school and community. I want to make sure all current returning school families get registered prior to February 20th, 2017. Please be sure to turn in your registration and registration fee prior to February 20th, 2017.

Prek- 8 Registration Dates

January 30th	Current Prek-8 Families
February 20th	Registered Parishioners
March 1st	Open Registration

The 2017-2018 tuition and fees will be coming home with a registration form on Friday, January 27.

Please return the form and fee prior to February 20, 2017. Included in last weeks family folder was information for potential new families. Thank you for passing it along to friends, relatives and neighbors. We have already had two families come and tour that are interested in sending their children to PB. The number one reason a family chooses a Catholic School is from word of mouth of a current parent of the Catholic school. Thank you for helping with share the good news of our school!

Blessings,

Mr. Stanley Liponoga IV
