## Our School Rules

1. Respect yourself and others as a child of God.
2. Contribute to the learning environment.
3. Follow classroom procedures.

Dear PB Family,

Happy New Year! I hope everyone had a joy filled Christmas Break. I enjoyed my time with my family and I hope you were able to do the same. We are officially in the second semester of school. This is a good time to talk with your children on how their school year is going. Here is a list of ideas that you ask your children to jump start the conversation:

What are your academic strengths and weaknesses?

What is the most interesting fact you have learned in science / social studies?

Explain your spiritual growth, theology.

How are things going socially?

What are some goals for the second half of the school year? ( if none – let's set some goals!)

Do you have any new sports, hobbies, or interest?

What grade level are you reading at?

What type of books do you enjoy most?

How do you use technology at school?

What is your favorite special class and why?

Communication and sharing are two of our Dicipline with Purpose skills. This is a great opportunity for your children to exercise their DWP skills.

Have a Blessed Week!

Mr. Stanley Liponoga IV
