The ACPL summer reading program official kicks off today! I encourage all PB families to participate and keep our students reading over the long summer break. For more details and to register your family visit <https://acpl.beanstack.org/reader365>

If you have received Choice Scholarship paperwork, please complete and return it to the Parish office. If you have questions please contact Emily Springer in Parish Office.

Mrs. Karen Roesler and Mrs. Sara Gensic will not be returning to Most Precious Blood School next school year. Mrs. Roesler has not moved far, she is right next door at the rectory. She is our new Parish Business Manager. Mrs. Gensic is moving into a new educational position. We will miss Karen and Sara. Congratulations to the both of them as they move into new exciting roles!

I hope to see many of you this weekend at Funfest! I will be running the Lollipop Tree from 12:30-2:30. The weather should be terrific!

Blessings,
Mr. Stanley Liponoga IV
Principal

**3RD AND 4TH GRADES—RECORDER
AND SUMMER**

3rd and 4th graders NEED THEIR RECORDER NEXT YEAR! If they choose to take the recorder home, it needs to return in August in working order. Fun links and music to play is available on Canvas.

All medicine needs to be picked up from the school office prior to June 15th. All medicine that is not picked up will be disposed.

The school office hours are 9:00-3:00. The office is closed from June 16th through August 1st.

**Parental Choice
Ambassadors**

INPEA is searching for parent and family stories about how school choice has positively impacted their lives and their child's education. If you know of any family that would be willing to share their story, please send their contact info to Andrea Zimmerman at azimmerman@inpea.org. We need an army of ambassadors to protect the many benefits of Indiana Choice Programs.

Most Precious Blood School is looking for a preschool teacher assistant for next school year.

Interested candidates should contact our school principal Mr. Stanley Liponoga sliponoga@preciousblood.org
