

Most Precious Blood School Family Folder Newsletter

October 5, 2016

Our School Rules

1. Respect yourself and others as a child of God.
2. Contribute to the learning environment.
3. Follow classroom procedures.

Dear Parents,

As you know, in preparation for the Bishop's visit we began a fundraiser. We began collecting funds to donate to Catholic Relief Services – Ark of Hope. Our students did an outstanding job! We had students doing chores for extra money to donate and at least one student, who emptied his entire piggy bank. Each classroom were winners as they participated in a beautiful global service project. One of 4th grade students, Riley Felkner, said it best during classroom discussion, she said "Well Mrs. Lohmuller, even if we do not win Bowling with the Bishop, we are still winners because we were able to buy all those things for people who need it." As a school we raised a grand total of \$1,030.18 and were honored to donate, in the Bishops' name, to the Catholic Relief Services – Ark of Hope:

126 Tree Saplings
12 Rabbits
4 Pigs
20 Hens
4 Roosters
And 3 Lambs or Baby Goats

Please enjoy the pictures attached to this newsletter from our day with the Bishop. Bishop sincerely shared with me, the following at his departure: "Our school has a special spirit, it is present in the people and all of the students." We have a very special school and am thrilled that we could share our school's spirit and Catholic Identity with our Bishop.

Blessings,

Mr. Stanley Liponoga IV

Technology & Learning

There are some exciting technology changes coming to Most Precious Blood School! You'll soon start seeing more of Canvas, the learning management system we introduced earlier this year. We're also aligning Canvas with PowerSchool; however, this will affect student access for the next few days while usernames and passwords are reset. As these changes continue, we'll be sure to let you know!
