School Total \$1,030.18

Congratulations to the 8<sup>th</sup> grade; they have won Bowling with the Bishop! The classrooms choose items in which they want to donate. As a school we reached our goal of donating an Ark (and then some!)

For more information on the CRS Ark for Hope -

<http://www.education.crs.org/resources/school>

The donation to CRS will be in Bishop's name and we will present this project and donation to him during his visit.

On a personal note, my wife Kellie and I are having our fourth child. We are having a girl. We will have one boy and three girls (our yellow lab is also a girl). The scheduled birthdate for our daughter is October 13, 2016. I will be off for a two week paternity leave once Kellie and the baby come home from the hospital. I will still be in and around the school, but the majority of the leave I will be at home assisting Kellie and our newborn. Please keep Kellie and our baby in your prayers.

Have a Blessed Week!

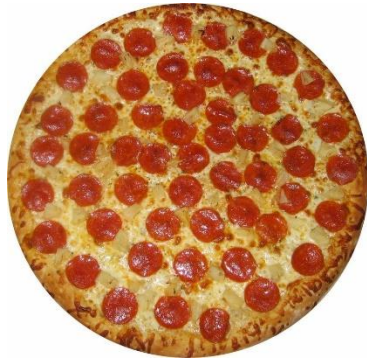

Mr. Stanley Liponoga IV

Principal

We will hold a Holy Hour for Peace. The prayer objective is for the end of violence in Fort Wayne. The prayer hour will be on Tuesday, October 4 from 5:00-6:00pm in the church. All are invited to join us as we pray together for the safety of all who live in Fort Wayne. For more information, call the rectory.
