In the last two years, SGONEI has funded over 2950 student scholarships in all 42

Donor Benefits

Donations by Indiana residents to SGONEI qualify for a 50% direct income tax credit against state income tax liability, while retaining deductibility of the full donation on the federal income tax return. This applies to donations of any size.

Assuming a 30% marginal tax rate for an individual, a donation would work this way:

Donation to SGONEI: \$5000.00 (Gross Donation)
Less 50% x \$5000.00: \$2500.00 (State Tax Credit)
Less 30% x \$5000.00: \$1500.00 (Federal Deduction)
Net: \$1000.00 (Out of Pocket Cost)

The Indiana State Tax Credits are valid for use by the donor for a period of nine years. Donors can restrict their donations to a particular school or area of the diocese. Un-restricted donations will be directed to our schools and students in the most need.

The vast majority of students who receive SGONEI scholarships for one year, become eligible to receive Indiana School Choice Scholarships (Vouchers) for the remainder of their K-12 education.

During the 2016 -2017 School year, 170 Most Precious Blood Students utilized either the Tax Credit or Choice Scholarship Programs. All tax credit scholarship gifts can be restricted to Most Precious Blood School.
