Example: School is canceled on Tuesday because of snow and Susie was marked for hot lunch. On Wednesday morning, Susie's mom sends a note to the school kitchen saying: Susie would like to use her credit from Tuesday's snow day and eat hot lunch today.

If you have a credit you wish to use because of a snow day, please send in a lunch form or note letting us know your child is eating that day. We need to know who is eating so we can prepare the correct amount of food. Your child will be feed PB&J for \$1.50 if a form is not sent in with money/credit.

When school is canceled, credit slips will not be sent home. Please use this credit on the following weeks lunch form. In the event lunch forms are not sent home, lunch forms can be found online or you can write on a piece of paper what days your child/children are eating hot lunch and send in with payment. We need to know what days all children are eating hot lunch so that we know how much food to prepare. Please send in some form of notification that your child/children is/are eating hot lunch.
